Our reference
Consent form filming

As part of an educational activity at the Department of Industrial Design, Eindhoven University of Technology, it may be that the students take photographs, film, video and/or audio recordings. These recordings are for their project and may possibly be displayed on a private website, where only the teachers, students and directly involved stakeholder have access to (ie the website is private and can be visited by invitation only).

We would like to ask your permission to make these recordings. Can you specify your preference with respect to the following questions and then sign the form? We thank you in advance for your cooperation. If you have further questions, please contact Caroline Hummels, Professor at the Department of Industrial Design, TU Eindhoven. Phone : 040-2475924, Email: C.C.M.Hummels@tue.nl

Will you agree with making video recording? not / do agree *

Do you agree with the use of these recordings in a video compilation that will be displayed on an private website for teachers, students and directly involved stakeholders not / do agree *

Do you agree with the public display of the video and images for non-commercial purposes, such as research conferences and for educational purposes? not / do agree *

Do you agree that we can contact you for permission to use the material for specific purposes, for example if one of the above questions is answered with "disagree"? If you answer this question with "do agree" would you be so kind to fill in your contact information at the bottom of the letter? not / do agree *
